## **The Gaim Golf G360 Right Hand Putter**

\$149.95

The patented axis/path alignment system promotes proper face angle at impact & creates a visual path to the hole.Â The high contrast white on black markings provides maximum visual focus on the alignment system. Matte black finish Anti-glare putter head.Â 80% heel-toe weighting for extreme stability at impact.Â 60% top weighting eliminates excessive back-spin.Â 40 grams heavier than average maintains tracking momentum.Â One-piece solid tungsten composite for pure energy transfer / solid feel (no dissimilar materials).Â Rounded & radiused back glides over the collar of greens.Â Precision milled face for a perfectly flat striking surface.

**Parameters of Product: Putters**
