\$199.75

The Guerin Rife Right Hand Two Bar Hybrid Mallet Putter

Rife putters introduces the worlds first hybrid putter, the Two Bar Hybrid Mallet putter. The Two Bar Hybrid Mallet putter is a combination of elements taken from the 2007 Golf Magazine "Mallet of the Year" Island Series Barbados, and the even-more-successful original TwoBar putter. The most distinct features and performance benefits from both models have been blended into one new spectacular design that is a game improving "hybrid" product in every sense of the word.

The new Guerin Rife TwoBar Hybrid features:

- Rife's patented RollGroove Technology
- TwoBar Alignment
- Twin In-Line Moment of Inertia (MOI)
- Dual Response (DR) insert technology
- The LieAline Fitting System, and adjustable Speed Weighting.

Assembled TwoBar HYBRID putter includes:

- Custom Dual Textured Winn AVS grip
- Extruded (no seam) stepless steel shaft
- Two sets of rear weight screws 12.5 grams & 20 grams
- Allen wrench adjustment tool
- LieAlign bending tool

- "Putting to Win" DVD (upon request)
- Custom head cover with zipper pocket for weights.

Construction:

- Body â€“ 431 stainless steel
- "Dual Response" Face Insert â€“ 6061 CNC milled anodized aluminum fused to high durometer polymer
- Rear Weights â€“ milled 303 stainless steel

Specifications:

- \*Head Weight â€“ 345 grams w/light wts. & 360 grams w/heavy wts.
- Lie Angle â€“ 70 degrees
- Loft of Head â€“ 2 degrees
- Effective Loft â€“ 1 Â½ degree loft to shaft angle
- Lengths â€“ 35â€• and 34â€•
- Shafting - 90% face balanced (slightly toe down)
- Offset - 1/2 shaft
