PeakVision Shot Golf Sunglasses - Matte Black

With its understated, sophisticated styling, the PeakVision Shot Golf Sunglasses - Matte Black (ST7) features spring-loaded temples with translucent rubber grip tips and adjustable nose pads to ensure a great fit. The PeakVision ST7 is made with a magnesium/aluminum alloy and is one of our widest frames (recommended for a hat size of approximately 7 1/4 and larger). The PeakVision ST7 has excellent wrap, superb geometry, and a fashionable look. The NXT unbreakable lenses deliver perfect light management for both the sky and turf with amazing optical glass-like clarity. This purchase comes with a microfiber lens care bag, a durable zippered hard case with clip, and a one-year warranty.
